

# GORGEOUS 16.2hh OLDENBURG MARE

Gorgeous, 1998, 16.2hh Oldenburg mare by Deutschmeister. Excellent jumper with impressive scope; very neat and tidy. Has evented up to Training under a junior rider with scope and talent to go much further. Dominique shows lovely movement in jumping and dressage, schooling second level, has her changes, shoulder in, and travers. Always a brave and careful jumper she has evented extensively and loves all aspects, schooling 3'6. A wonderful show horse as well as relaxed on trails whether by herself or in a group. 'Dom' has a great work ethic and loves to please and is an extremely amiable and personable mare. She trailers, clips, and is wonderful with the farrier, goes barefoot all year round with no problems. Would make amazing jumper or eventer for young rider wanting to move up. Regretfully selling as rider is going to university. Unbelievable price for such a talented and scopey horse!!!! A good home is our priority; open to offers. Take a look at her on youtube:
